**Explanation of Responses:**

- Each restricted stock unit represents a contingent right to receive one share of common stock.
- These shares were awarded in connection with the settlement of certain performance-based restricted stock units based on the achievement of certain specified performance goals.
- On March 1, 2023, the reporting person was granted 7,668 restricted stock units, vesting in three equal annual installments beginning on the first anniversary of the grant date.
- These RSUs are eligible for vesting as follows: approximately 1/3 of the units on March 1, 2025; approximately 1/3 of the units on March 1, 2026; approximately 1/3 of the units on March 1, 2027; in each case, subject to continued employment through the respective vesting dates.
- This transaction represents a grant of equity to the reporting person by the issuer. Therefore, no consideration other than the value of services rendered was paid for the security.
